MIDTOWN EXPRESS CONSTRUCTION PROJECT TO HOST FIRST OPEN HOUSE TOMORROW Developer hosts open house as work begins on the \$847 million project

IRVING (May 6, 2015) — Traffic relief is on the way for North Texas motorists who rely on State Highways (SH) 183 and 114 as well as a portion of Loop 12 in Dallas and Tarrant counties. With construction already underway on the \$847 million Midtown Express project, SouthGate (the developer) will host its first open house to inform the public about the upcoming construction.

Open house details:

Date: Thursday, May 7, 2015

Time: 4:00 p.m. – 8:00 p.m.

Location: Christ Church, 1750 E Airport Fwy., Irving, Texas, 75062

This open house will be a "come and go" format, with no formal presentation. Maps, drawings and other information about the project will be on display to the public. Attendees will have the opportunity to learn about the design as well as the upcoming construction schedule. Persons interested in attending the meeting who have special communication or accommodation needs are encouraged to contact SouthGate.

The almost 28-mile Midtown Express project (formerly known as the SH 183 Managed Lanes Project) is expected to improve mobility by expanding SH 183 from SH 121 in Tarrant County to Interstate (I) 35E in Dallas, as well as SH 114 from SH 183 to SH 121/International Parkway and portions of Loop 12 from SH 183 to I-35E. The interim \$847 million project includes design, reconstruction and rehabilitation of deteriorating roadways and the addition of toll managed lanes.

The Texas Department of Transportation awarded the project to SouthGate Mobility Partners, a joint venture between Fort Worth-based Kiewit Infrastructure South Co. and Dallas-based Austin Bridge & Road. SouthGate will provide 25 years of maintenance.

For more information, visit the project's website: www.drivemidtown.com, or call the toll-free hotline 844-4-183-114. The Midtown Express project can also be found on Twitter ([@DriveMidtown](https://twitter.com/DriveMidtown)) and Facebook ([drivemidtown](https://www.facebook.com/drivemidtown)).
